

REMARKS

The foregoing amendment to the drawing is made in compliance with the "examiner's amendment" included with the notice of allowance. As required, FIG. 4 and FIG. 4A have been redesignated FIG. 4A and FIG. 4B, respectively. Also as required, arrowheads have been supplied in FIG. 4A (as amended) and FIG. 5.

The foregoing amendment to the specification is made to make the specification references to the drawing figures correspond with the amendments to the drawing amendment above.

Entry of the foregoing amendment is respectfully requested.

Respectfully submitted,

Steven R. Petersen, Reg. No. 31,287
Attorney
(914) 333-9640

IN THE DRAWING

Please amend the drawing by substituting the accompanying replacement sheets 4, 5, and 6 for the corresponding previously filed sheets.
